

Welcome to Zion Lutheran School  
Early Childhood and Extended Care  
408 E. Jackson St.

**Pre-registration is now open for 2021 - 2022.**

Thank you for considering the Early Childhood Program at Zion Lutheran School. We offer a variety of options to meet your early childhood needs.

We are excited to offer multi-age preschool classes for 3 and 4 year olds. These preschool classes will allow students to learn and grow at their own individual pace. Center based activities will be a focus in the learning environment. STEM activities are included in our daily curriculum. There are many benefits to support multi-age classrooms;

- Parents may choose the number of days their child attends; 3, 4, or 5
- We are planning on once again offering a “Super 4’s” class for children who turn 5 in the fall.
- Multi-age groups promote family-like relationships
- Children can teach and learn from each other
- There is often less competitive behavior and more cooperative or helpful behaviors
- Teachers have the opportunity to develop closer more long-term relationships with the children
- Multi-age groups offer children opportunities to develop and practice social skills.
- Curriculum is based on at least a two year cycle providing a wide range and variety of activities

**A 2 year old classroom is also available Monday - Friday, 8:00 - 11:00am, full day extended care is also an option.**

**Preschool Rates**

- \*Children must be 2 by September 1st to be enrolled in preschool.
- \*The rates are generally based on a 9 ½ month program (approx. 174 full time school days).
- \*Tuition may be paid in one payment, twice yearly, or monthly
- \*If paying monthly you may do it in 10 monthly payments starting in July.
- \*First consideration is given to full time students

**\*Children enrolled in the 3/ 4 year old program must be completely potty trained. We reserve the right to cancel, combine or change class days as dictated by enrollment.**
