Early Childhood and Extended Care  
**Pre-registration is now open for 2023-2024.**

Thank you for considering the Early Childhood Program at Zion Lutheran School. We offer a variety of options to meet your early childhood needs.

We are excited to offer a variety of preschool classrooms focusing on the different ages and needs of the children. We have a Pre-kindergarten classroom designed for children who turn 5 in the fall. There are three rooms for children 3 and 4 years old. We also have a 2 year old classroom. Full day extended preschool is an option for all ages. Highlights of our program include:

- Parents may choose the number of days their child attends: 3, 4, or 5
- Students learn and grow at their own individual pace
- STEM activities are included in our daily curriculum
- Center based activities will be a focus in the learning environment
- Children learn through play and hands on experiences
- Christ is the center of our center
- Children are loved and treated with respect
- Your family becomes part of our family
